

Memorandum of Association - NIELIT

MEMORANDUM OF ASSOCIATION

OF

NATIONAL INSTITUTE OF ELECTRONICS AND INFORMATION TECHNOLOGY (NIELIT)

"AUTONOMOUS SCIENTIFIC SOCIETY OF MEITY" (ASSM)

(Amended as on 31/01/2025)

1. Name

1.1 The name of the Society shall be "NATIONAL INSTITUTE OF ELECTRONICS AND INFORMATION TECHNOLOGY (NIELIT)".

1.2 The Society shall function under the administrative control of the Ministry of Electronics and Information Technology, Government of India, or the Ministry/Department that may be notified by the Government from time to time.

2. Registered Office

2.1 The Registered Office of the Society shall be at NIELIT Bhawan, Plot no.3, PSP Pocket, Institutional Area, Sector-8, Dwarka, New Delhi - 110077.

3. Objectives

3.1 To generate quality manpower and develop skilled professionals in the area of Information, Electronics and Communications Technology (IECT) and allied, by providing world class education & training and accreditation services.

3.2 To provide continuing support to learners and trainers through active design & development of innovative curricula and acquisition of content, aligned with the dynamically changing IECT scenario.

3.3 To establish a quality system of examination and certification that is globally recognized, providing a fair assessment of the competency of students.

3.4 To continue to implement the DOEACC Scheme for computer courses, jointly developed by AICTE and MEITY, in the Non-formal Sector of IT Education and Training.

3.5 To establish standards in the areas of IECT and to develop markets in the emerging areas.

3.6 To impart continuing education for up-gradation of knowledge and skills, in view of high obsolescence in the area of IECT.

3.7 To provide entrepreneurship development programme in the area of IECT.

3.8 To develop and promote the culture of a market to encourage and nurture industry-oriented design and development.

3.9 To purchase, lease, exchange, or otherwise acquire any movable or immovable property, and to sell, lease, dispose of, exchange, invest, and deal with bonds, moneys, securities and all kinds of movable or immovable properties for all or any of the objectives for which the Society is established.

3.10 To levy and receive moneys in connection with the activities of the Society, including grants/loans as and when received from the Government

or from any other sources.

3.11 All the income, earnings, movable and immovable properties of the Society shall be solely utilized and applied towards the promotion of its aims and objectives only as set forth in the Memorandum of Association, and no portion thereof shall be paid or transferred directly or indirectly by way of dividends, bonus, or profits, or in any manner whatsoever, to the present Members of the Society or to any person claiming through any one or more of the present Members. No member of the Society shall have any personal claim on any movable or immovable properties of the Society or make any profit whatsoever by virtue of his membership.

3.12 The Society will be a non-profit making society, and any excess of income over expenditure would form a corpus fund, to be utilized in furtherance of the objectives of the Society.

3.13 To do all such activities which are incidental/ancillary for achieving the objectives of the Society.

4. Management

4.1 The Society shall function under the administrative control of the Ministry of Electronics and Information Technology, Government of India, or the Ministry/Department that may be notified by the Government from time to time. The Society will have an institutional framework with the Governing Council as an apex body to evolve corporate policies and provide necessary guidelines for fulfilment of the aims and objectives set forth for the society. The Council is vested with all the power and responsibility for all the affairs of the Society and its Centres. The Council will be assisted by a Management Board for the technical, academic, financial and administrative management of the Society. The Society as well as its Centres would be under the overall control and guidance of the Council. The individual Centres will be conferred necessary flexibility for freedom of operation through appropriate delegation of authority and responsibility to enable them to function effectively. The Council will periodically review and monitor the activities of the Society and take such remedial measures as may be deemed necessary, to meet the aims and objectives of the Society.

4.2 The Society will be funded by the administrative ministry as per the allocation by the NITI Aayog and shall generate revenue through its various activities. The Society shall also obtain sponsored projects from Government Departments, State Governments, and industries in both the public and private sector, and over a period of time the various Centres of the society shall endeavor to become self-sustaining, so that the grant-in-aid from Government is reduced gradually.

4.3 The administrative Ministry may issue such directions to the Society as may be considered necessary, for furtherance of the aims and objectives of the Society and for ensuring its proper and effective functioning, and the Society will carry out such directions.

4.4 The Society would be managed within an institutional framework with independent and autonomous authority, responsibility, and flexibility, for

dynamic operation to achieve the objectives set for the Society.

5. Composition of Governing Council
